Grader Shed Supervision

A message from Dawn Rudolph:
Grader Shed volunteers,

Thanks you so much for making time to help supervise the static entries in the grader shed. The kids work very hard on them, so we all need to work together to keep them safe. I very much appreciate you giving of your time. We are all CRAZY busy during the fair.

You will need to go to the fair office, sign in (or be checked off) so we know you remembered your shift, get a lanyard (or get the one from the person before you) and go to the grader shed. Your duties are to be friendly, answer questions visitors may have, and most importantly, make sure no one touches anything. The Lego displays, fairy gardens, and anything made of fabric/fiber tend to attract people and they want to touch it. The other duty (especially on Sunday) is to make sure no one takes their projects before 5:30. Sometimes they try to sneak their ribbon out if it is something that will be thrown out anyway (like veggies or flowers). The youth helpers are encouraged to answer questions and talk about their projects as well as keeping an eye on projects. There should be a few chairs in the grader shed, but you need to be paying attention to visitors anytime someone is in there.

I work in the 4-H food stand on Friday from 4-close and in the YLO stand on Sunday . If you need anything, you can call the fair office (715-748-3348). If you know of anyone else who would be willing to help, or if you find that you have some "down time" during the fair and could squeeze in some extra time, just let them know in the fair office to write you down and get a lanyard and vest. We have LOTS of time slots to fill

Thanks Again!!! Have a great fair!

Dawn Rudolph
